8. Do you believe the instructional methodology used for this course is the most appropriate, or do you think an alternative method, such as videotape-based training, panel discussions, or computer-based training, might be employed?

Very complex topic, should provide a dynamic example.

Course should be presented in the morning

9. Would you recommend this course to a colleague? Yes No

Why or why not? *Definitively a great tool for RPMs to ensure data has been manage appropriately.*

10. Did the abstract and/or name of the course meet your expectations? Yes No

Why or why not? *Good info sessions*

Additional Comments:
We don't need a police person looking over our shoulders. They should manage the time more effectively we lost more than 50% of the audience, due to the time.
